

New Dentist Needed

Dynamic, fast-growing dental group practice with multiple offices in New Hampshire's beautiful Monadnock and Lakes regions seeks a motivated, charismatic, licensed dentist to join our experienced team of 25+ healthcare professionals.

Practice dentistry the way it should be practiced in a first-class, modern setting, with clinical and technological support, including Cone Beam CT, Dental microscope, CEREC, an in-house lab technician, and many other tools. We offer multi-specialty collaboration along with continuous mentorship from experienced doctors. You'll have enough time to know your patients, and the flexibility to balance your work with your life. This position is 4-to-5 days a week, with opportunities for growth and partnership.

Benefits include:

- Competitive pay (+200k) with performance-based incentives
- Comprehensive insurance package
- LTD
- 401K
- CE reimbursement
- Mentorship

Consider a rewarding dental career in southern New Hampshire, delivering the highest level of care to great patients in a professional and supportive environment that gives back to our communities. To learn more about life in the region, visit:
